Volunteering opportunity

Your Committee is looking for a volunteer to launch Perth u3a on social media, and thereafter maintain our presence with regular engaging updates. Ideally, you'd join the Committee, and also take on further internal/external marketing activity as appropriate. If this is of interest, please contact John Seavers in the first instance:

U3a Getaways

The u3a has recently launched a new holiday partnership, badged 'u3a Getaways'. For more information, see here: <https://www.justforgroups.com/u3a-getaways>

Non-fiction Book Group

Member Lucy Fleming would like to find out if anyone would be interested in joining a non-fiction book group. To register your interest, email her at scone12@hotmail.co.uk or ring her on 07749 422976.

40th Anniversary Memories

You can read a brief account of our anniversary day, with photos, on our News webpage:

Perth u3a publications

Member John Andrews is engaged in a project to record the history to date of Perth U3A, and is keen to track down as many as possible of the items that have been in any way 'published', ie produced in printed form. He has copies of some of these, but there are two others that he's anxious to locate, both of them produced at least 20 years ago. One was a study of the history of Perth Harbour. The other was a similar investigation of the history of Perth Cattle Market.

Please let John know if you have or can obtain copies of either of these two items - or of any others of which he may not be aware. johndandrews44@gmail.com
